

School of Foreign Languages Presentation

Чим більше мов пізнаєш ти,
Тим більш можливостей в житті

SCHOOL OF FOREIGN LANGUAGES

V. N. Karazin Kharkiv National University

At this important time for you
When a life-changing step is due

The School is happy to present
Its training services extent.

The foreign languages we teach
Will definitely help you reach

The aims you set, and see the world,
Bring languages into accord,

Exceed the bounds and extend
The areas you understand.

As many languages you learn,
As many cultures you discern.

Kharkiv, 61022

SCHOOL OF FOREIGN LANGUAGES

V. N. Karazin Kharkiv National University

French, English, German, Japanese,
Spanish, Italian, Chinese

Are languages you can choose from
To start with and to carry on.

You can be trained in two, three, four,
Or, if you wish to, even more

Of foreign languages the School
Provides you courses in in full.

The School's departments that are nine
Were founded for you to thrive

Translators, scholars, academics
Of competence beyond polemics,

And higher education staff,
And other people smart enough,

Researchers, writers, politicians,
Officials on high positions.

The School is glad to see you all
On its enrollment list this fall.

Besides the academic training
Life at the School is entertaining:

All sorts of contests, competitions,
Performances, and expeditions.

In sports, in studies, and in science
The School encourages reliance

On everyone's creative flair,
Perfecting which is only fair.

Students' self-government is active
With their membership elective

From the School students who are willing
To try themselves at well fulfilling

The duties of the ones in charge
Of students' interests at large.

They practise thus decision-making,
Being responsible, risk-taking.
