

**Вступ до інтегрованого навчання предмета та іноземної мови**

The **writing test (1 hour)** consists of two tasks:

- Writing a 100-150 word email within the context of secondary education
- Writing a 150-250 word (formal) text on a given topic related to the context of CLIL

The assignments allow participants to contextualize the topic in their own field of teaching.

The text is to be written in MS Word and participants are allowed to use all MS Word functions, including the spellchecker. However, other aids (dictionaries, internet, etc.) are not allowed.

Assessment of the text is based on the following evaluation criteria:

- Vocabulary (control and range)
- Grammar (accuracy and range)
- Spelling and punctuation
- Coherence and flow
